HACCP International certifies these pest control products are suitable for use in a HACCP compliant pest control programme. Such products must be applied:

1. by a qualified pest controller,
2. in accordance with the pest control sub-section of a HACCP programme,
3. in accordance with the manufacturer's recommendations.

It must be noted that the certification in respect of Resposar applies only to product manufactured after 1<sup>st</sup> August 2016.

Licence Commencement	20 July 2018
Certificate Issue Date	18 July 2018 

HACCP International's evaluation and certification is strictly confined to matters of food safety or the operation of a HACCP based food safety programme. Whilst all reasonable care is taken by HACCP International in its evaluation of the product(s) or services(s) described herein, HACCP International does not guarantee that every food safety risk in every application has been identified. No guarantee is offered or implied in the issuing of this statement.
